DRY ICE

Locally Produced. No Melted Margins.

At Phoenix Welding Supply, we produce dry ice locally in Phoenix, so you get a fresher product, more accurate weight, and reliable availability when you need it.

Why Phoenix Welding Supply?

- Locally produced in Phoenix
- Quality beverage grade CO2
- Trusted industrial supplier
- Consistent Supply

AVAILABLE QUALITY DRY ICE

- 3mm (1/8") Rice
- 10mm (3/8") Pellets

Most supply in Arizona is shipped in from out of state, which means sublimation during transit and less product for the same price.
